

Position: 1st Shift Trailer Assembly Technician

AlphaHD Trailers designs and manufactures heavy haul semi-trailers. Headquartered in Oelwein, Iowa, we take pride in our commitment to build the most durable, specialized, open deck semi-trailers on the road today.

This job is responsible for final assembly of components required to build large steel trailers.

Responsibilities:

- Read and understand instructions prior to starting a project.
- Assemble air, electrical and hydraulic components required to operate Heavy Haul Semi-Trailers.
- Responsible for manufacturing products according to the specifications and standards of the customers.
- Check finished work to make sure that it falls within the tolerances marked on the blueprints.
- Lift and carry heavy items and moving components by operating an overhead crane.
- Keep equipment operational by completing preventive maintenance requirements.
- Maintain a safe and clean working environment.
- Wear proper personal protective equipment.
- Ability to operate forklifts/material handling.
- Ability to work overtime as required including Saturdays.

Education and Experience Requirements:

- High School diploma or equivalent
- Basic understanding of Shop Math.
- Ability to read and understand blueprints and specifications.

Preferred experience in the following:

- Hydraulic System/Installation
- Air and electrical System/Installation,
- Trailer Brakes
- Schematic Experience

Job Type: Full-time

Salary: From \$20.00 per hour

Benefits:

- 401(k)
- Dental insurance
- Flexible schedule
- Health insurance
- Paid time off
- Vision insurance

Schedule:

- 10-hour shift
- Day shift
- Overtime

Supplemental pay:

- Bonus pay

Ability to commute/relocate:

- Oelwein, IA 50662: Reliably commute or planning to relocate before starting work (Required)
